

Richard Gill School Fees 2024

Richard Gill School is a comprehensive, secular independent primary school with a musical focus, tailored around the educational philosophy of Richard Gill AO. With music and physical education as cornerstones of the curriculum, the school will provide an opportunity for regional students to engage in a unique education where creativity plays a central role in all key learning areas, including English and STEM (Science, Technology, Engineering and Mathematics) with a specialised teacher.

Fees

Fees are paid via our payment partner Edstart, not directly to the School.

With Edstart Plus, families will have access to more options with their school fee payments, including:

- Options to pay weekly, fortnightly, monthly, per term, or annually – by selecting the schedule that works for you.
- The ability to choose a preferred day for when payments are made.
- The option to spread your fees during the year over a full 12-month period instead of 10 months.
- The flexibility to adjust payments at any time.

There are no fees or charges for using Edstart Plus for your Richard Gill School tuition fees.

To set up your Edstart account, please visit [Pay your fees at Richard Gill School with Edstart](#). Edstart will then pay your School fees on your behalf when they are due and activate your regular repayments as part of your plan.

After careful consideration and consultation between the school and the Board of Directors, the following fees have been set for students enrolled in 2024.

Scholarships and Bursaries

A range of scholarships will be available and will be announced mid-late 2023. Bursary applications may be requested and are independently assessed. Support is provided against identified short term need.

We look forward to welcoming you to Richard Gill School in 2024. Should you require additional information please do not hesitate to contact the school on the contact information below.

Building Fund

The School Building Fund allows families to make a voluntary, tax-deductible contribution towards future construction works at the school. Keeping it voluntary qualifies any contribution by you as a tax-deductible donation, rather than having a mandatory levy for everyone that does not qualify as tax deductible.

Those who make significant donations to our building fund (\$1000 or more per annum) will receive regular correspondence regarding the progress of large-scale construction works occurring at the school.

Kind regards,

Chris English - Principal
